FPPA Elects New Board

FOREST HILL, MD: The Flexographic Pre-Press Platemakers Association (FPPA) proudly introduces its newly elected president and board of directors for 2015.

Dan O'Brien, Dynamic Dies of Holland, Ohio will continue leading FPPA as president. O'Brien's second term as president comes on the heels of a successful convention in Naples, Florida.

Supporting O'Brien is a strong cabinet of officers including Immediate Past President, Sam Merenda, Graphics 2 Press; President-Elect, Tim Moore, Southern Graphics; Treasurer, Graham Saunders, Container Graphics Corporation; and Secretary, Lee Luckey, Sun Graphics. Peter Cappas, United Engravers; Lee Grantham, Mark/Trece, Inc; Bob Hannum, DuPont Packaging Graphics; Rob Tolland, Anderson Vreeland; Troy Williams, Adheso-Graphics and Eric Gibbs, Flint Group Flexographic Products are also serving on the 2015 Board.

During his acceptance speech, O'Brien encouraged members to get involved in the Association by volunteering and encouraging new member participation. O'Brien highlighted the strong programs that FPPA has planned for the coming year, including offering webinars, discussion boards on social networking sites, and expanded one on one time between suppliers and platemakers at the Annual Convention.

Information on its next Annual Convention will be available online soon. Visit www.fppa.net for details.

The purpose of the Flexographic Pre-Press Platemakers Association is to foster, promote, improve and enhance high standards of efficiency and cooperation within the flexographic pre-press platemaking industry.
